RealSource Upgrade
Screen Changes
April 6, 2020

1. The screen header in the upper right-hand corner has been reorganized and the icon styles have changed.
   - User name has been removed and replaced with an icon of a person.
   - The bookmark icon has changed from a star to a heart.

2. On the navigation bar on the left-hand side of the screen, the Contracts and Vendors icons have changed.

3. Overall, font styles are clearer.
