Good afternoon RealSource Users,

Good morning, RealSource users.

An additional eCatalog is live this morning in the RealSource system and available for use to the entire university. Added at the recommendation of Dr. Richard Costanzo (SOE), the eCatalog is with Digi-Key, the 4th largest electronic component distributor in North America. Digi-Key offers a large selection of electronic components kept in stock and available for quick shipment. This brings the total count of eCatalogs during the first year of RealSource operation to 28. If you have questions about this or any other RealSource eCatalog, existing or future, please send an email to RealSource@vcu.edu or call 8-1077, Option 6.
